I. OPEN DISASTERS/EMERGENCIES: NSTR

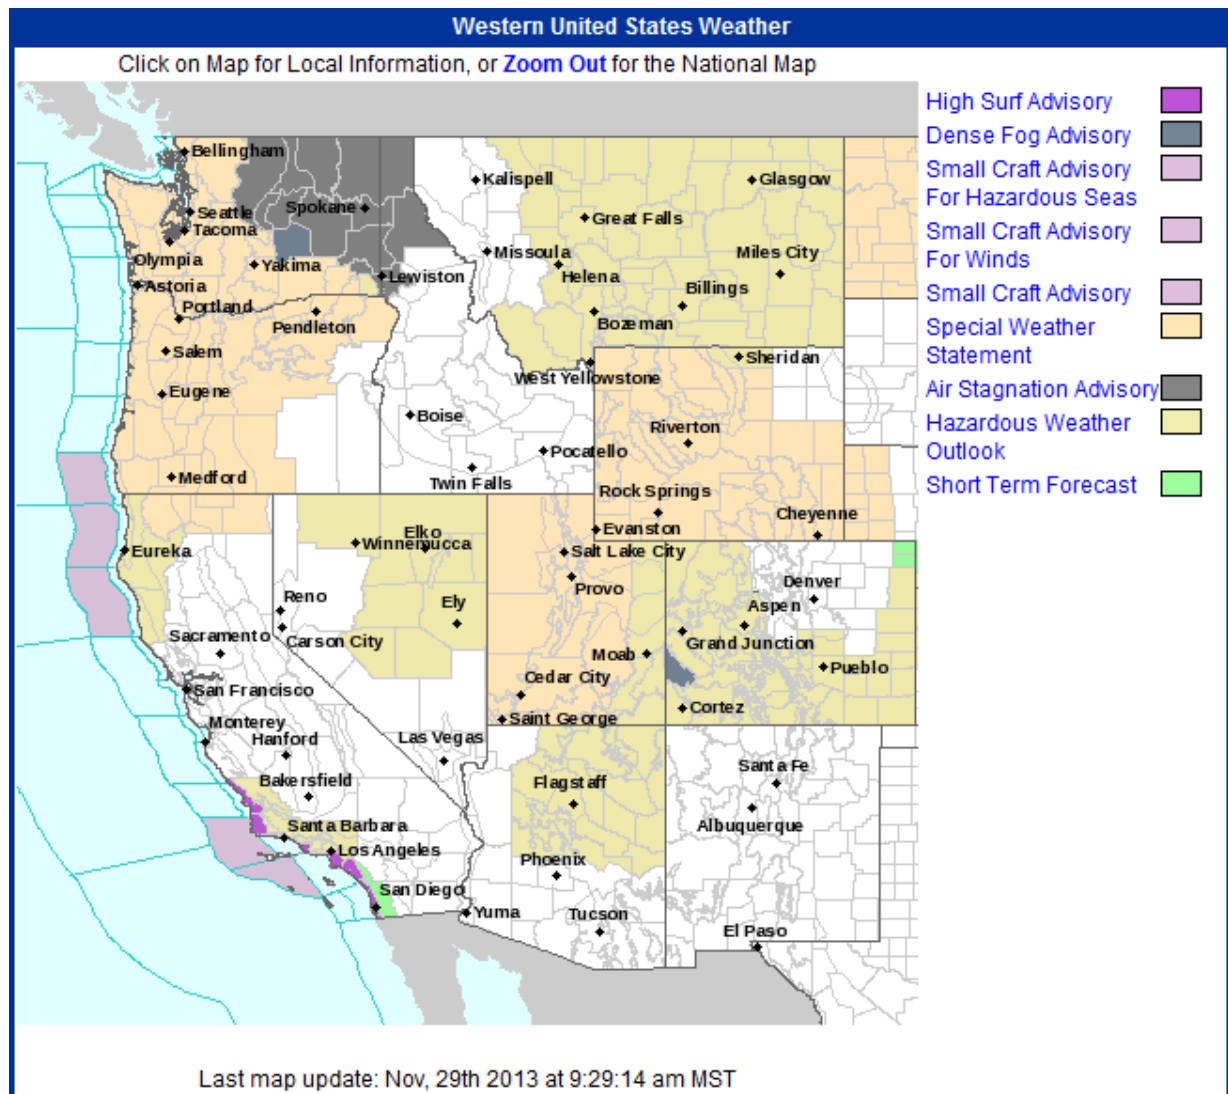

II. WEATHER:

Northern California – Dry weather with above normal daytime highs will continue through the weekend. The next chance of precipitation arrives Monday as a cold storm tracks into Northern

California. Unsettled weather continues through Thursday. Snow levels will be lowest around midweek reaching down into the foothills.

Southern California – Low pressure off the coast will continue the mostly cloudy skies and cool weather along with a few sprinkles and the slight chance of a shower through today. High pressure and offshore flow will bring warmer weather on the weekend. Another low pressure system will bring the possibility of showers to the area Tuesday through Thursday.

State Weather Map

III. FIRES:

Overall Fire Risk:

Northern California

Dead fuels, especially at lower elevations farther south, remain dry and more drying will occur through Sunday under the influence of the light north – north east / offshore winds. The cold system next week will produce more humid conditions and increasing fuel moisture, even where the spotty light precipitation does not occur. Late in the week drier conditions will return.

Southern California

There will be little or no fire activity across the region through the forecast period.

Preparedness Levels:

National Preparedness Level 1

Northern California

Preparedness Level 1 Multi-Agency Coordination System MACS Mode 2

Southern California

Preparedness Level 2 Multi-Agency Coordination System MACS Mode 2

IV. SIGNIFICANT ACTIVITY:

Northern California: NSTR

Southern California:

Bomb Threats, San Diego, San Diego County (Initial/Final)

Warning Center received notices of two “unconfirmed” bomb threats at the State Route (SR) 165 connector and Miramar Way connector of Interstate 15, San Diego, San Diego County. Cal Trans advised they have closed down northbound and southbound traffic during investigations. Per Cal OES LDO, San Diego County Sheriff’s Office had no involvement but CHP, military, and FBI Bomb Squad was involved with one vehicle cleared. Both reports were believed to be hoaxes and both state routes were opened 11/28/2013 at 1716 hours. One subject was taken into custody and charged with making bomb threats.

CAL OES MISSIONS:

New Missions: NSTR

Ongoing Missions:

2013-LAW-1669 Solano County Sheriff’s Department on behalf of Vacaville PD requesting Human Remains Detection K9 to assist in an on-going homicide investigation. Cal OES LDO has coordinated resources from Vacaville Police Department for conducting the search on 12/3/2013.

2013-Southern-1468 Crystal Cove Slope Repair, Orange County, expedite removal of cracks and overhanging material from the slope face using mechanical and/or hand scaling techniques. Caltrans is coordinating with State Parks and the project should be completed November 27, 2013. **Update 11/26/13:** Per Cal Trans, the majority of the work has been completed, but there is still some minor

work that needs to be done. The roadway is currently back open with no lane closures or travel restrictions. Estimated time for completion is next week.

Closed Missions: NSTR

EMAC New Mexico

2013-SOC-1568, Cal OES coordinated the deployment of two (2) Santa Barbara County personnel to the State of New Mexico for a 21-day public assistance mission beginning November 17, 2013, in support of the recent flooding.

EMAC Colorado

Colorado has submitted a REQ-A request to extend all Cal OES staff to 12/21/2013. The request has been approved by Cal OES.
